

-----  
\* Please prepare a short presentation (5-7 minutes) about your OSUG.

Please include information on when your OSUG was started, how quickly it has grown, what types of roles, and what percentage, are represented by the members (developer, sys admin, student etc), your biggest success and your biggest challenge.

\* Also come prepared to discuss, in more interactive sessions:

- tactics that have been successful and unsuccessful in growing your OSUG

- what assistance would be beneficial to you as an OSUG leader

- from Sun, your members, other OSUG leaders, the OGB

- how OSUGs can help spread awareness and knowledge of OpenSolaris
